

Centretown, Glebe & Old Ottawa South Accommodation Study

April 26, 2011 Working Committee Meeting
Cambridge Public School Library

Draft Meeting Notes

The meeting commenced at 7:00pm with the committee chairs welcoming all to this evenings meeting. Various administrative items were noted.

Introductions – Understanding School Issues

Each committee member was paired with a member from another school so that each could gain an understanding at each of their schools. Each pairing subsequently reported to the larger committee an overview of issues discussed.

Questionnaire Results

Staff reported on the results of the “Whats Important to you and your School” exercise. (Separate handout provided)

Scenarios

Staff provided Discussion Scenarios A & B to committee members. Time was allotted for committee members to review the scenarios. Staff then provided an overview of the scenarios. It was noted that the scenarios were intended as a starting point for discussion only and that the committee should feel free to revise/discard these scenarios or create new scenarios at their discretion.

Review of Circulated material

Staff provided an overview of information materials that were circulated to committee members in advance of this meeting. These include, OCDSB projection methodology , historical birth data and student distribution data

Next Steps

Staff agreed to provide area specific student distribution data for the next meeting. The next meeting will be held on May 30th, 2011
