| 7:30 p.m. | Welcome and Opening Remarks<br>Co-Chairs, OCDSB Staff  |
| 7:40      | Large Group Activity -<br>Prioritize themes and their inter-relationships<br>-see attached Themes Rubric |
| 8:10      | Small Group Activity One -<br>Culling the Scenarios using the Themes                                     |
| 8:40      | Small Group Activity Two -<br>Improving the Scenarios  |
| 9:25      | Where do we go from here?  |
| 9:35      | Public Question Period   |

**Re: Large Group Activity**

Committee members will individually review the Themes rubric and individually vote on what a solution should look like. The group will discuss the results and determine whether or not it is possible to create a solution that meets all needs.

This activity will be facilitated by the co-chairs and staff.

**Re: Small Group Activity**

We will break into 4 Groups of 5 persons.

Groups have been organized, to ensure no more than one representative per school is on each group, to ensure representatives are mixed with many different people.

Each Group will appoint a spokesperson who will briefly transcribe and summarize the group's work.

**Small Group Activity One** (25 minutes)

The objective of this activity is to reduce the scenarios.

- rate scenarios against top themes
- choose scenarios that best meet the top themes
- report back to large group

Large group discussion further reduce scenarios if necessary (10 minutes)

**Small Group Activity Two** (35 minutes)

The objective of this activity is to improve the scenarios. Each group will work with one scenario.

- using ideas generated from other scenarios - improve the scenario;
- validate using importance of all themes, mandate and reference criteria;
- repeat exercise but assume more capacity at Mutchmor - 5 classes, First Ave. - 2 classes
- report back to large group

Large group discussion reduce to total of 3 scenarios (10 minutes)
