

**Richard Pfaff Secondary Alternate Program Site
(formerly McNabb Park PS)**

160 Percy Street

The school currently houses the following programs

- **First Place Alternate Program**
- **Reality Check**
- **Richard Pfaff Secondary Alternate Program**

Total enrolment at the site is 246 (October 2010) The school capacity is 324 – as a secondary school - classrooms are loaded at 21 pupil places.

School Capacity

The school consists of :

18 Classrooms including 1 Kindergarten room.

Should the school be brought into “elementary service” then its capacity would change as follows;

16 Classrooms at 23 pupil places each

1 Classroom would be assigned a loading of 9 pupil places for a congregated special education class

1 Kindergarten at 20 pupil places

Total capacity would be 397 pupil places
