

Centretown, Glebe, Old Ottawa South Accommodation Study
Working Group Meeting
Tuesday October 4th
7 pm
Mutchmor Public School - lunchroom

1. Welcome and Opening Remarks (7pm)
2. Approval of Notes
3. Approval of Agenda
4. Staff Report – second alternative solution (7:10)
5. Small group discussion: (7:40)
 - a. Three small groups – groups 1,2 – one rep from each school, group 3 – community reps
 - b. Group 1 works on scenario from Sept 20
 - i. Work together to make the scenario presentable to the public
 - ii. Find the answers – ask questions to each other and to staff, anticipate questions that will be asked and find the answers
 - iii. List the positive aspects of the scenario
 - iv. Identify weakness and recommend solutions on how to improve. Remember our key priorities – if solution does not address an issue how can this be overcome? Note – recommendations should not impact the model; focus on ways to mitigate the problem.
 - c. Group 2 works on tonight’s scenario
 - i. Work together to make the scenario presentable to the public
 - ii. Find the answers – ask questions to each other and to staff, anticipate questions that will be asked and find the answers
 - iii. List the positive aspects of the scenario
 - iv. Identify weakness and recommend solutions on how to improve. Remember our key priorities – if solution does not address an issue how can this be overcome? Note – recommendations should not impact the model; focus on ways to mitigate the problem.
 - d. Group 3 looks at both scenarios from the community perspectives.
 - i. Anticipate how your community will react to the models and address any concerns you foresee.
 - ii. Compare two scenarios – pros and cons
6. Large group report back. (8:10)
7. Planning for Public Consultation (8:20)
 - a. Staff suggestions
 - b. Barb description of Kanata public meeting
 - c. Committee ideas
 - d. Agreement on proposed approach
