

## RELIGIOUS HOLY DAYS AND DAYS OF SIGNIFICANCE CALENDAR 2018–2019

The dates listed below are the faith days of particular significance for students and employees who are members of the major faith communities in our District as identified through consultation with local community organizations.

Where possible, the District will consider Religious Holy Days and Days of Significance when scheduling programs and events. The District will refrain from holding events involving parents/guardians on religious holy days.

Student absences on days of religious observance will be marked as “G” (grant) days, regardless of whether or not the day(s) of observance is noted in the procedure.
