STATUS REPORT FORM

The Tri-Council Policy Statement (TCPS) requires REB review of ongoing studies. This is achieved for OCREAC through the completion of the Status Report Form. As per OCREAC guideline 2.4, researchers are required to submit a report to the Chair of the committee:

- a) **Annual Status Report:** Report on the *progress* of the study at the end of the academic year in which the study was approved (June 30th); and/or
- b) **Study Completion Report:** Summary of study and main findings upon *completion* of a project.

Failure to submit reports will result in the refusals of future applications by the committee.

[Complete the online form here](#)

Within the online application you will be required to upload electronic copies of various documents. ALL documents should be combined into a **single PDF document**. Only ONE uploaded file is permitted.

If you have any questions regarding the completion of this electronic form, please contact: ocreac@ocdsb.ca
