

## School Within A University:

# Your Path to University

## Are you a Grade 11 or 12 student curious about university?

OCDSB's School Within A University (SWAU), in partnership with Carleton University and its Faculty of Arts and Sciences and the Enriched Support Program, gives you a unique opportunity to explore postsecondary education in a real-world setting.

## Who should apply?

This program is designed for students who may not have previously considered university, including those with learning needs, first-generation university hopefuls, Multilingual Learners, and students from Indigenous and other historically underserved communities.

## What to expect:

- **Experience university life.** You'll take a first-year university course on Carleton's campus.
- **Earn credits.** Successfully complete the course and get both a university credit and a high school credit.
- **Get the support you need.** An OCDSB teacher will be on campus to help you navigate your university and high school studies.

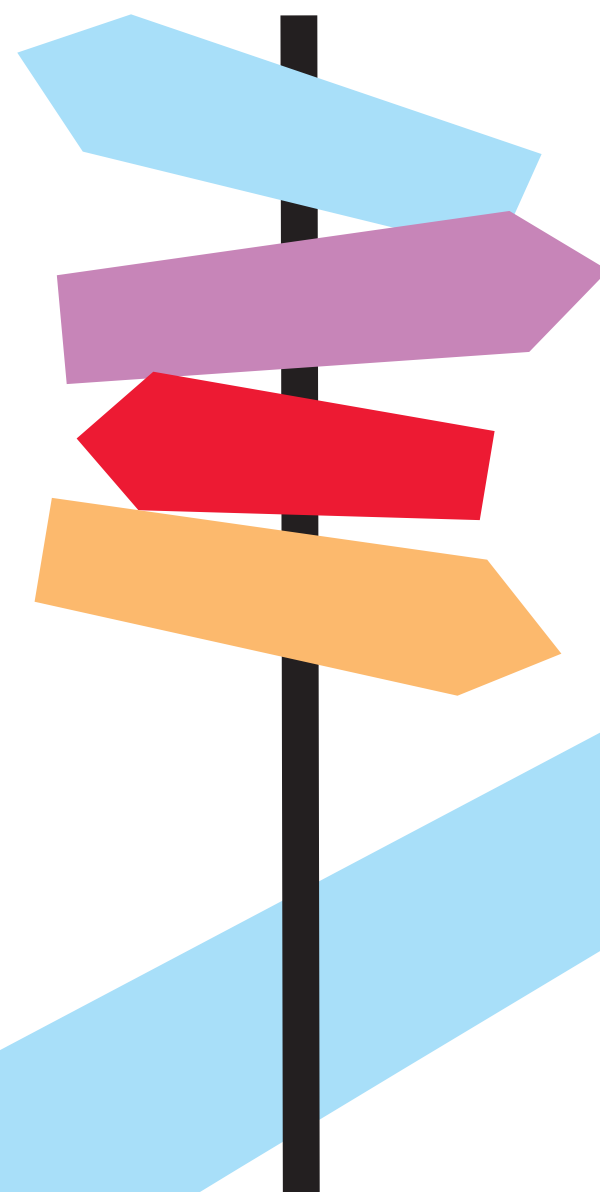

## When:

Every Tuesday, starting **January 6, 2026**, and ending **April 7, 2026** (inclusive).

**Discover if a university is the right fit for you. Take the first step toward your future with SWAU!**
